Hi Krish,

Thank you so much for taking the time out of your busy schedule to conduct an interview. Our conversation about the team lead position was inspiring, and it was insightful to learn more about the role.

The job sounds more exciting than ever, and I think I would be an ideal candidate thanks to the master's degree and relevant experience in the field.

Please feel free to contact me if you want. Thanks again for the opportunity.

Thanks,

#### 4. Asking for a Raise in Salary

Email To : kavan3@gmail.com

From : [gunjanchauhan@gmail.com](mailto:gunjanchauhan@gmail.com)

Subject: Asking for a raise in salary for my experience and hard work

Date : 8th March 2025

Dear sir,

There are already 2 years that I have been working for your organization as a team leader. I was always loyal and dedicated to BERKO technologies. All the assignments and projects I was handling were submitted on time without any delays. You probably know that I get low payment and have asked for salary increment last year. I attempted to ask for the salary increments but I did not get a reply from you.

The reason that I am asking for a rise of my salary is that my current payment is too low for covering the expenses of my family. Recently I have received the job offer from SONY technologies and the salary is relatively higher. However, I am dedicated to our company; therefore, I decided to write you this letter once more.

Best Regards,

Gunjan Chauhan
